ARRIVAL OF THE HUMBOLDT!
FOUR DAYS LATER FROM EUROPE!!
Arrival of *Kosuth, wife and suite—Death of the King of Hanover—Arrival of Father Mathew at home.*

New York, Dec. 5—3 1/2 A. M.
The United States Mail Steamship *Humboldt* arrived at this port at 2 o'clock this morning from Havre, Nov. 25th, and Cows midnight the same day.

The *Humboldt* had a very rough homeward passage, having had to contend with violent westerly gales and rough head seas the most of the passage.

She brings a fair freight and a good number of passengers for the occasion—among them the distinguished Hungarian exile and patriot, Governor Kossuth and suite.

The United States Steamer *Pacific* arrived at Liverpool on Wednesday, the 20th ult., with Father Mathew.

On Monday, the 17th ult., the King of Hanover died, in the 83d year of his age.

Kossuth is accompanied by his wife, Mons. and Madame Polyecky, Ad. de Camps and Secretary—in all 15 persons.

As the *Humboldt* came up the Bay, Kossuth was saluted by the discharge of 31 guns, which was returned as the part of the Steamer.

On his arrival at Staten Island, a large number of the people, notwithstanding the lateness of the hour, rushed down to the dock to welcome him.

Dr. Doane, the health officer at Quarantine, addressed the noble guest, to which the latter replied in a brief, appropriate manner.

His fellow countrymen, who have been for some time awaiting his arrival in this city, our citizens, soldiers, and others, were perfectly frantic with joy.

Lola Montes is among the passengers. Excepting the French Advice, the news is of an great importance.

BLAKE'S PATENT FIRE PROOF PAINT.
DURABILITY.—It has now been tested more than six years by the severest trials, and in every case the action of the weather seems only to indurate and render it more and more permanent. In no instance has it ever been known to crack, chafe off, or waste by time.

Certificates.
I insert a statement of more than twenty men, of the highest standing, in *Aspen, Ohio*, in the vicinity of the mines as follows:
"We have seen a house that was painted with Fire Proof Paint, by Mr. Blake, as an experiment, nearly six years since, and find it now as firm as a stone, and as perfect as at first appearance, as it was a year after applied; and will further say, that there has been such a complete failure in all the kinds of stuffs put up here, called Fire Proof Paint, except Blake's, and that his only is considered worth while."
BARTON GREEN.
